

## Privacy

The personal data collected through this website will be processed based on principles of fairness, legality, transparency and protection of your privacy, subject to and in compliance with the Legislative Decree 30 June 2003 n ° 196.

## Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

## The Information We Collect:

This notice applies to all information collected or submitted on the InterCinD website. On some pages, you can send feedback, update your laboratories details, submit results and download reports and assigned values. The types of personal information collected at these pages are:

- Lab ID
- Name
- Company
- Job Title
- Address
- Email address
- Phone number
- Fax Number
- Analytical Results ID identified

## Information Use:

We use the information you provide about yourself when placing an order only to complete that order. We do not share this information with outside parties except to the extent necessary to complete that order.

We use the information you provide about someone else when placing an order only to ship the product and to confirm delivery. We do not share this information with outside parties except to the extent necessary to complete that order.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

We never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

## Our Commitment To Data Security:

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

## Cookies:

If necessary we may use "cookies" for administrative purposes such as cataloging traffic patterns throughout the site and can use a "cookie" to assign a "User ID" for this purpose. Cookies, by themselves, cannot be used to find out the identity of any user. If you have a user ID this will automatically identify your computer - but not you - to our servers when you visit our site. Unless you specifically tell us, we will never know who you are, even if we do assign a cookie to your computer.

You can correct factual errors in your personally identifiable information by sending us a "update my details" request.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.
